

Due to the passing of one of our elders in Capilano,
(Late Chief Bill Wyse's sister Margo)

We regret to advise that the AGM—Audit Review, which
was scheduled for this Saturday, January 30, 2010
will be postponed.

The audit information package
will be distributed immediately for your review.

We understand that many members of our Nation
will be travelling to the Mainland
to pay their respects to the family.

We will be advising of the rescheduled date
as soon as possible.
