

Community School Closures & Updates

Bayview Elementary – Dec 23 – Reopens January 9, 2017

Principal's Message

We are excited to be heading into the holiday season, with all that it entails.

In November we welcomed a new secretary to Bayview, Mrs. Sanderson. Please take a moment to pop into the school office and introduce yourself if you have not already done so.

As we proceed with changes to assessment and reporting, there will not be a report card coming home in December as you have been used to; instead, the first formal report for the year will be February 10. If you have questions about your child's learning or progress, you are always encouraged to contact their classroom teacher.

Mr. Kevin Brand, Principal

SD68: NDSS UPDATE

Chewing Tobacco, Smoking and Vaping

Hello everyone in the NDSS community, a point of clarity is needed regarding Chewing Tobacco and Vaping/Electronic Cigarettes. Both of these products appear to be seeing a rise in popularity at NDSS. Both chewing tobacco and vaping fall under the no smoking policy at NDSS.

Smoking, Chewing Tobacco and Vaping are not allowed on NDSS school property. This ban includes the interior of the building, the entire campus and applies to school field trips and athletic travel.

We would like to thank our parent/guardian community for their anticipated support in passing along this message to our student body.

Thank you,

Education Department
