

Hello everyone,

I am Ann Seaweed from the kwakwaka'wakw First Nations territory of Alert Bay BC. I would like to take this time to thank the Snuneymuxw First Nations people for allowing me the opportunity to live and learn on their territory. I am in my fourth year at Vancouver Island University, and I am currently doing my practicum at Snuneymuxw Mental Health and Addictions with Chris Leischner. I am learning new skills and knowledge from my interactions with community members that I find enriching and enlightening. These connections I am making will be applicable to my future practice where my intent is to work within the First Nations Community. If you see me around please feel free to say hello.

In respect,

Ann Seaweed
