

NOTICE

The forum is to allow candidates to explain their platforms and for the wider audience to ask candidates about their platforms. **Under no circumstances will any questions regarding the ability of John Wesley to be a candidate in the election be allowed.** I will briefly explain this in my opening remarks. Nothing he has alleged to have done has any relationship to the electoral process.

Under both the electoral code and the regulations, he is fully and legally able to be a candidate in the election. Please take note of this. If you have questions or comments relating to that, please do not bring them up at the Forum; instead, take them up with the administration.

Maggie Paquet, Electoral Officer.
