

# Snuneymuxw

First Nation

[www.snuneymuxw.ca](http://www.snuneymuxw.ca)

Good Day Snuneymuxw,

We are now entering the summer season and I hope that you take an opportunity to get outside and enjoy our beautiful lands and waters. We have come a long way in the past several months which I can confidently say shows our Snuneymuxw unity, kindness and strength. Our Nation should be very proud of that. I would like to remind everyone that we will all have to do our part to continue to practice personal and professional hygiene, continue to social distance but please stay connected with one another.

We will continue to practice the Snuneymuxw COVID-19 Safety Plan and workplace safety requirements throughout the summer. Please remind friends and families that our services are still operating using enhanced safety processes by appointment only. Please watch the website and Facebook for continued updates and announcements over the next several months regarding the access and use of Snuneymuxw public facilities (gym and fitness room, longhouse kitchen) and service buildings. I commend you again as all of us continue to do our part, as individuals and families, to protect our Nation.

As we all enjoy our summer season, I would like to remind you that if you decide to travel around BC, please practice the same precautions you have been using over the past several months. Enjoy the lakes, beaches, parks, restaurants and Saysutshun while keeping your groups small and social distancing where possible. We live in beautiful territories so I encourage you to have fun this summer!

Finally, congratulations to all our 2020 Graduates, we are so proud of all of you! Join us on Monday, June 29th at 1 pm on Centre Street to show your support and cheers to our Grads.

Have a good weekend!

Respectfully,

Chief Mike Wyse
