

Job Posting
Weekend Cleanup/Firewatch Labourers
Ladysmith, BC

THE OPPORTUNITY

Are you looking for weekend work for some extra money? Wanting to gain experience in a mill environment? Then this could be a great job for you! **We are hiring for Weekend Cleanup/Firewatch Labourers at two of our sawmills.** We have multiple positions available at each location.

Current opportunities:

- Ladysmith Sawmill Operations
- Saltair Sawmill Division (also located in Ladysmith)

What We Offer:

- Competitive unionized wage rate of **\$28.39 – \$32.54/hour** as per the respective Collective Agreement.
- A safe work environment and opportunities for growth.
- Ongoing training and a long-term career.
- Benefits and pension are provided through the union.

Shifts: Saturday and Sunday day shifts

- *Must be available to work both weekend days*

These positions are considered safety sensitive, all successful candidates will be subject to a pre-employment drug test.

RESPONSIBILITIES

- General labour, cleanup and spark watch (supporting our weekend maintenance crews).
 - All employees must maintain a safe and clean work area.
-

QUALIFICATIONS

Education and Experience

- It would be an asset to have previous experience in a safety-sensitive environment (trades-related or an industrial environment), but not necessary. **We will train people without this background if they have the right attitude and want to learn!**
- Grade 12 or equivalent required.
- First Aid/WHMIS an asset – **preference is always given to candidates who have OFA 3.**

Skills, Knowledge and Required Competencies

- You have an excellent and demonstrated commitment to safety;
- A strong work ethic with willingness to lend a helping hand when needed;

- Accountable and dependable;
- Able to prioritize work;
- Demonstrated ability to work both as part of a team and with minimal supervision.
- A desire to participate in an organization committed to continuous improvement.

YOUR CAREER

At Western Forest Products, we believe our most significant asset is our people. Investing in our people brings value and success to our business, ensuring a safe, engaged, productive and continuously improving workplace. We offer challenging opportunities working alongside the best in the industry to meet your career and professional development goals while providing competitive total rewards and recognition.

We provide a variety of **on-the-job training** and **continuing education** in many areas at Western to ensure you have the skills you need to succeed. Our **promote-from-within culture** recognizes high performance and we offer diverse career paths across the organization for those with the talent and will to advance.

WESTERN OVERVIEW

Western Forest Products is a leading forest products company that sustainably manages forests and manufactures high-quality wood products. Headquartered in Vancouver, British Columbia with operations in the coastal region of BC and Washington State, Western meets the needs of customers worldwide with a specialty wood products focus and diverse product offering.

Our commitment to health and safety, environmental stewardship and community engagement is core to how we do business at Western Forest Products.

Our approach to responsible business practices in all aspects of our business is multi-faceted. We adhere to and employ the most stringent environmental practices in the world. The steps we take to ensure the forests in which we operate are renewed and remain healthy and viable for future generations are mirrored in the care we take to make certain our communities continue to grow and prosper. This includes investing in communities where we operate and continuing to forge mutually beneficial relationships with First Nations in respect of their local and cultural interests.
