JOB POSTING

Medical Office Assistant

(Full-Time, Permanent)

Salary range from \$23-\$30.50 per hour, depending on qualifications and experience

JOB OVERVIEW

Reporting to and working under the clinical supervision of the Primary Care Medical Nurse Manager, the Medical Office Assistant (MOA) is responsible for providing administrative and medical support and coordination to the Snuneymuxw Health Team.

JOB RESPONSIBILITIES

The Medical Office Assistant will be responsible for the following duties:

- Handle client phone calls and direct follow-ups to team members or make appointments as needed.
- Supply immunization records to parents/guardians, and provincial health agencies upon request following confidentiality guidelines and protocols.
- Update client demographic information in the Electronic Medical Records (EMR) system.
- Upload and scan confidential prescription, lab and Xray reports to client files and file documents as appropriate.
- Attend regular planning meetings and manage flow of information, such as recording minutes, sub-committee meetings and special event planning.
- Assist in organizing and delivering community events by coordinating administrative details.
- Prepare agendas, securing locations, and confirming attendance for set meetings.
- Run errands or shop in support of health care delivery when required.
- Refer clients to internal and external resources when appropriate.
- Scan all received medical documents for all patients registered at the Health Centre
- Forward information to the relevant physician for all lab tests received outside of normal physician hours for advice.
- Liaise with Lifelabs and other medical labs as needed to ensure result delivery is consistent for all patients seen at Snuneymuxw.
- Reconciliation of all investigations ordered by Snuneymuxw physicians for patients seen at the clinic to ensure results are received and not transferred to other clinics.
- Administer requisitions/tests to ensure they are fully completed, and appointments are made for blood draw or imaging etc. and that relevant requisitions are available as needed.
- Improve EMR functionality by liaising with the physicians and system support team.
- Assist other Snuneymuxw health staff in ensuring good engagement with community members.
